The External Committee for School Counselors of the Indiana Professional Standards Board convened at 9:00 a.m. on August 8, 2002, at the Metropolitan School District of Washington Township Community Building at 1220 South High School Road, Indianapolis.

Peggy Hines called the meeting to order. Minutes and the agenda were reviewed. Documents were distributed.

The issues of required degree, school setting, and licensure were discussed. Revisions were made to better clarify these recommendations to the IPSB Board.

The September 11 meeting was moved to September 20. Peggy will attend the IPSB Meeting on September 18.

Tom Keller and Sue Reynolds will bring research data of graduates and first- and second-year counselors in regard to proficiencies. This will be useful in our discussion of portfolio and pilot development.

During a working lunch, emergency permits for school counselors was discussed. Kay Schrader provided a working document for the committee. It was decided that an emergency permit is needed; however, a final document was not completed. The committee will revisit this issue in September.

The meeting was adjourned by Peggy Hines.
